

MISSION ASSOCIATION QUARTERLY MEETING

Saturday, November 1st @ 9am at Pleasant Home FWB Church

The Shepherd Initiative

Churches without a pastor, bi-vocational pastors, and any church needing assistance are candidates for this program. It can provide materials and coaching to aid the local church. Churches can be helped with Sunday and Wednesday services, daily shepherding, and many other things.

The Transitional Leader

A church can still grow and meet objectives when it finds itself without a pastor. A transitional leader is different from an Interim Pastor. The Transitional leader can be in place for a set time to shepherd the church through a very difficult time.
